He was also enrolled in the joint-degree program where he received a Masters degree in City and Regional Planning. In law school, Marcus gained experience in nonprofit law, and he is fully equipped to aid nonprofits in incorporating, drafting bylaws, applying for 501(c)(3) status, and addressing other legal and financial issues.

Marcus is excited to be a part of Drakeford, Scott and Associates LLC where he has the opportunity to aid nonprofits in the fulfillment of their missions. He understands that complex problems, such as poverty, youth pregnancy, and high incarceration rates often require complex solutions. Through Drakeford, Scott and Associates LLC, Marcus aids nonprofits in providing those solutions.
